We strongly recommend you pre-register at least eight weeks prior to any course. If you cannot pre-register at least two weeks prior to the course, you must register at the door and pay an extra administrative fee of \$10.00 for Intensive Courses.

### Housing & Transportation

One unique aspect of Intensive Courses is that accommodations in homes of local church families may be arranged on a first-come, first-served basis, according to space available at the time we receive your deposit. Host families usually provide lodging and breakfast.

If you desire housing, you must register at least eight weeks in advance of the course. The number of homes is limited.

We cannot guarantee that requests for housing can be filled. If host homes are not available, or if you prefer other housing, you will receive a list of local hotels.

If you pre-register, you will receive a student information letter shortly before the seminar. If you have been assigned a host home, please call the hosts and tell them your arrival schedule and any special needs.

Although limited, transportation to and from local airports and daily transportation to and from the course site may be arranged if volunteer vehicles and drivers are available.
