answers

to life's problems

are found in the

BIBLE

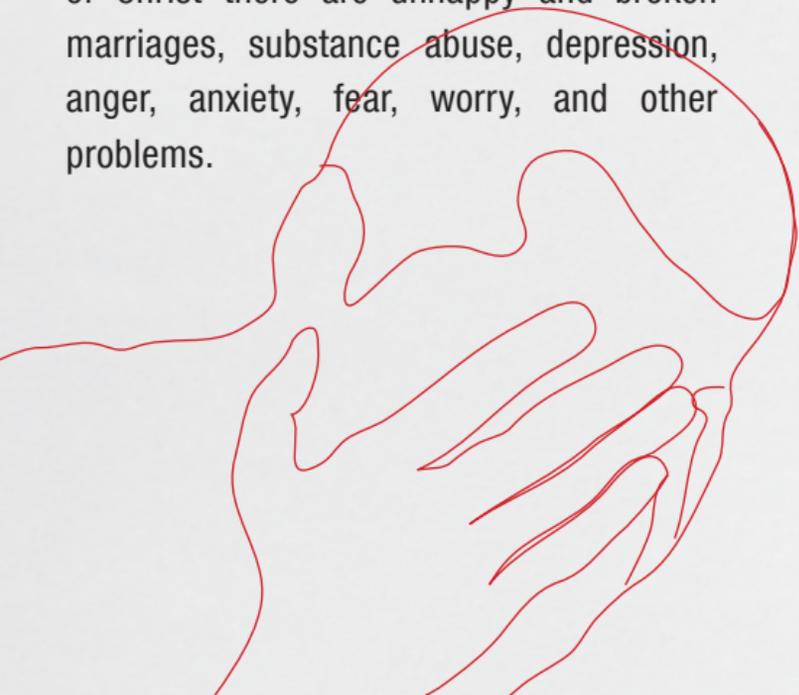

Throughout history, mankind has searched for solutions to life's problems. Despite all his attempts, personal and interpersonal problems still persist. Even in the Body of Christ there are unhappy and broken marriages, substance abuse, depression, anger, anxiety, fear, worry, and other problems.

Sadly, many people have come to rely on outside sources for answers to the difficult problems of life, losing sight of the truth that God tells us in II Timothy 3:16-17;

“All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness;

that the man of God may be adequate, equipped for every good work {of life}.”

The only source that identifies causes and provides solutions to all of life's problems is the Bible. It contains solutions to every problem of attitude, relationship, communication, and behavior.
